

# Schedule Wednesday 19 October

	Main Stage KWA	Technical Amazon	Governance Yangtze	Law Enforcement Mississippi	Research Everest	Innovation Kilimanjaro	Lightning Talks Amazon Foyer
10:00	Opening Micky Adriaansens						
10:10	Dcypher: Unlocking the power of collaboration Herbert Bos						
10:20	Berry Vetjens						
10:30	Pieter Verhagen						
10:40	Inge van der Beijl						
10:50	Maartje Claassen						
11:00	There is power in numbers? How to defend against nation-state actors? Cristin Goodwin						
11:10							
11:20							
11:30							
11:40	Why our awareness campaigns are bad, and we should feel bad Fleur van Leusden	How to automate vulnerabilities searching process for fun and profit Ivan Iushkevich	Why Intelligence Matters in the Private Sector Teresa Walsh	What's in the mix? Investigating the anatomy and economics of bitcoin mixing Kelvin Lubbertsen Rolf van Wegberg	Opening	Zero trust architecture for Common Ground applications André Koot Jan Verbeek	
11:50					NCSC-NL Research Agenda Nouschka Auwema Jeroen van der Ham		
12:00							
12:10							Lightning Talks: Those who give up security for privacy deserve neither (and will lose both) - Jelle Niemantsverdriet Learning from 2022 cybercrisis - Kees Verkade Put blockchain to post-quantum security - Kaitai Liang Classification of CVEs using NLP - Oluwadamilola Agbede Bluevoiant 3rd party risk assessments - Joseph Shenouda Murder by Hacking - Johan Kleercq We are not unique! - Jelle Niemantsverdriet
12:20							
12:30							
12:40							
12:50							Walk-in session
13:00	Automation as an active measure of protection Nicolas Loriot Nicolas Audiot	Process mining, a tool to help against ransomware? Vincenzo Salden	Improving Business Security by implementing Security.txt Jeroen Kasbergen Edwin "EdOverflow" Foudil Jelmer Schreuder	Offender prevention; a new approach in the fight against cybercrime Lieske Zonderland Wouter Klijnsohn	DeepCASE: Semi-Supervised Contextual Analysis of Security Events Thijs van Ede	The new frontier of cybersecurity: to build a zero trust, resilient smart city requires a paradigm shift Shadi Razak	
13:10							
13:20							
13:30							
13:40	KaseyaVSA and what DIVD did to prevent the abuse of seven zero-days Frank Breedijk Victor Gevers Lennaert Oudshoorn Chris van 't Hof	A study of fake and malicious CVE Proof of Concepts in Github Soufian El Yadmani		On the leaked files from Conti ransomware group Jambul Tologonov Jair Santanna	Asking the Right Questions: Assessing Risk of Vulnerabilities in ICS Rik van Dijk	A journey into the workings of disinfo campaigns /troll farms, how do propaganda campaigns work Richard Odekerken Robert v.d. Noordaa	
13:50							
14:00			Building sustainable and effective OT Security programs Joey Croonenbroek Suzanne Rijnbergen				
14:10							
14:20	A maturity model for authentication Manon Nobbenhuis	ICS stands for Insecure Control Systems Thijs Alkemade Daan Keuper		The mental impact of ransomware attacks Christiaan Ottow Inge van der Beijl	Improved IoC Lifetime Estimation: Using Passive Internet Scans to Enhance Signature-based Detection Maaïke van Leuken Hugo Bijmans	Hacking Critical Infrastructure: role of Software and Hardware bill of material in correctly understanding ICS attack surface and building capability to protect it Jozef Sulwinski Krzysztof Swaczy ski	
14:30							
14:40			The European Cybersecurity Certification Framework Renate Verheijen Andreas Mitrakas Philippe Blot Eric Vetillard				
14:50							
15:00	Women In Cybersecurity Community Association Faith Opiyo Valentine Mairet Chantal Stekelenburg	Investigating data processing by cloud providers Floor Terra		How criminals determine the ransom in ransomware Tom Meurs	Helping hands: Measuring the impact of a large threat intelligence sharing community Xander Bouwman	Netherlands Cryptoland; setting a vision for the future of the Dutch cryptography ecosystem, in a European perspective Christian van der Woude Michel Rademaker	
15:10							
15:20							
15:30							Lightning Talks: Walk-in sessions
15:40							
15:50							
16:00	Dinosaurs and Robots Trish McGill						
16:10							
16:20							
16:30	Closing						
16:40							
16:50							
17:00	Network drinks till 18:00h
